

Finding POLIS at the University of Victoria

The POLIS Project on Ecological Governance is located in University House 4 in the southeast corner of the University of Victoria Campus.

Directions from University of Victoria's Ring Road

Once on Ring Road drive to Parking Lot 1. As you approach Parking Lot 1 you will see newly built engineering buildings on your left and a large greenhouse on your right. Turn right into Parking Lot 1 and be sure to stop and purchase a parking ticket from one of the automatic machines to display on your dash. Drive to the back of the parking lot and turn left and follow the signs to University House 4. The road will veer right and you will find a small parking lot to the left of University House 3. University House 4 is visible from the parking lot, and you will see a path that leads to the front door of the POLIS Project.
